Guide to Register a Project

To create a project, you will need an account for your organization. Let’s get started!
To create one, click the “Recruit” tab and fill in the information necessary to create an account.
With an account, click the “Return to Managing Opportunities“ button in the top-right corner below your name.
Once there, clicking the “Create a Volunteer Opportunity” button will allow you to create an event.
When finished, you will see this confirmation page:

If you have any questions or concerns, email info@globalcitizen365.org and we will assist you!
